</fieldset>

<!-- Submit button -->

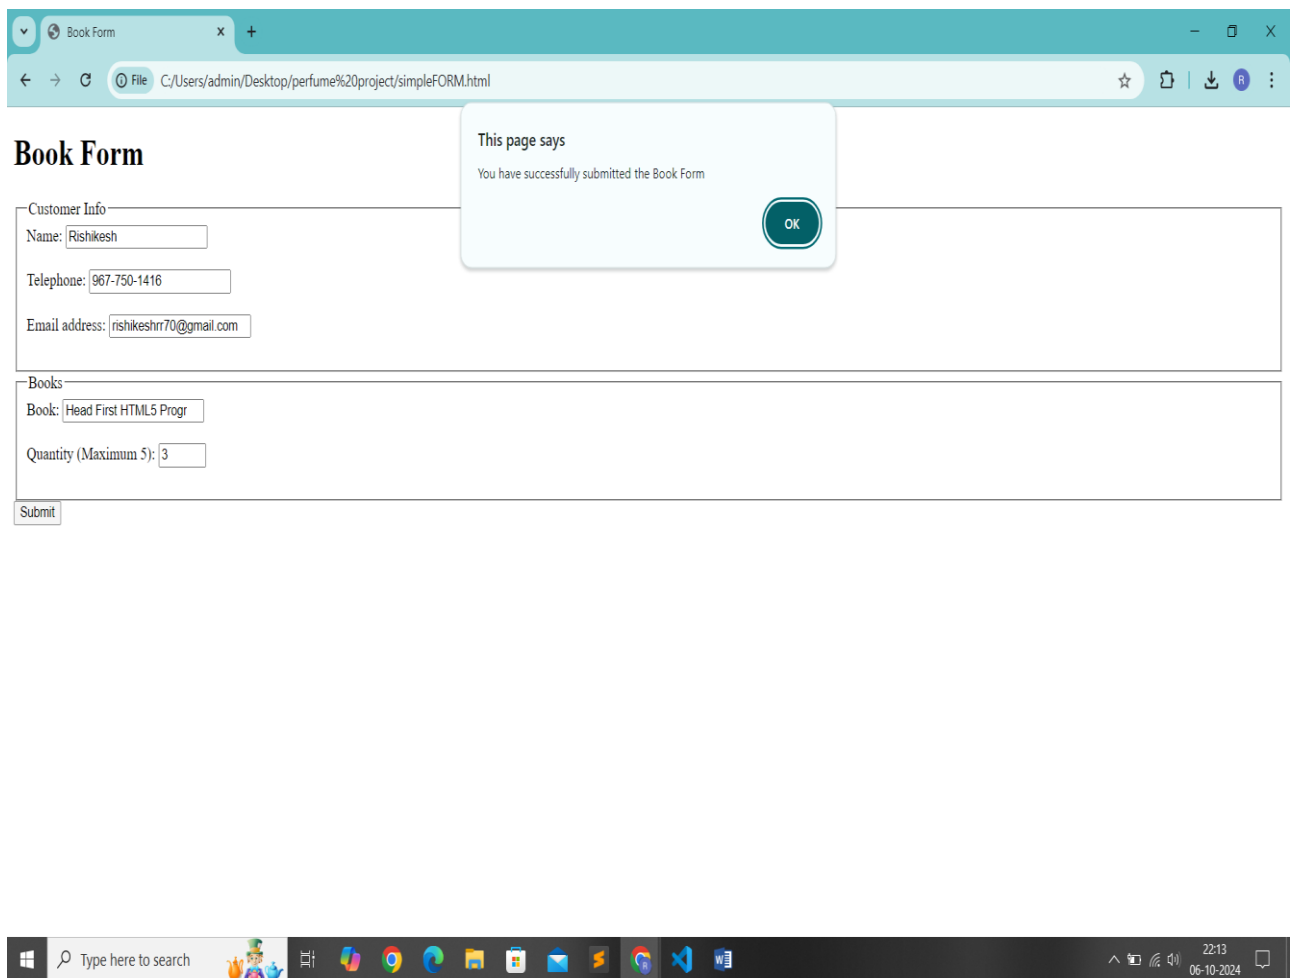

<input type="submit" value="Submit">

</form>

</body>

</html>

OutPut:

The screenshot shows a web browser window with a single tab titled 'Book Form'. The address bar displays the file path 'C:/Users/admin/Desktop/perfume%20project/simpleFORM.html'. The page content includes a form titled 'Book Form' with two sections: 'Customer Info' and 'Books'. The 'Customer Info' section contains three input fields: 'Name' (filled with 'Rishikesh'), 'Telephone' (filled with '967-750-1416'), and 'Email address' (filled with 'rshikeshrr70@gmail.com'). The 'Books' section contains two input fields: 'Book' (filled with 'Head First HTML5 Progr') and 'Quantity (Maximum 5):' (filled with '3'). A 'Submit' button is located at the bottom left of the form. A light blue modal box is centered on the screen, displaying the message 'This page says You have successfully submitted the Book Form' with an 'OK' button.
